For Parents

Hey parents! We love your students, but we also want to do our best to equip and resource you as a parent. Every month we send out a parent tip video, helpful resources, and let you know what we're learning at Revive. The best way for you to stay connected with what we're doing at Revive and gain access to these resources is to join the parent email list. To add yourself to the list, simply email Paul and he'll be sure to get you plugged in!
