

LOVE IS...

Wk 2

THE BIG IDEA: *Become the person that the person you're looking for is looking for.*

THINGS TO REMEMBER

- We should focus more on **character** than we do on **characteristics**.
- Character brings strength, security, and stability into the relationship.
- Spend less time **in pursuit** of a person of character and more time **becoming** a person of character.
- 1. Are they a believer of Jesus Christ?
 2. Are they an active pursuer of God?
 3. Look for someone who can keep the same pace as you.
 4. Are you both theologically compatible?
 5. Are you both socially compatible?
 6. Are you philisophically compatible?
 7. Are you physically attracted to them?
